enigma22.in

MEGASTRUCTURE

Creativity is the 'Intelligence having fun'. Megastructure is an event where the participants have to build a structure with limited resources given.

ONLINE QUIZ

The ultimate test for tech and science, bigger, better and crazier than ever. Brush your brain and take part to be crowned among the quiz wizards.

TRAIL BLAZER

An event meant for tronix geeks. An autonomous robot traverses the given path with meticulous precision.

PLAY-BYTES

Crack the codes to grab the star!

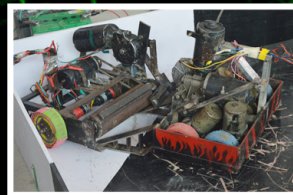

RESONANCE

The most beautiful discovery of all times is 'Friendship'. Here comes an astounding event to face the challenge and check the 'resonance' between two friends.

XTREME MACHINE

A robotic contest where remote control bots pick and place things to complete the task

ROBOKOMBAT

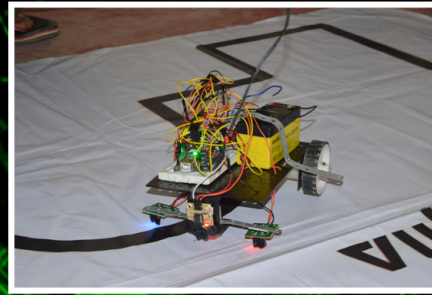

- 'Steel smashing steel'.

The big ultimate battle of two powerful futuristic robots where sparks fly!, metal crunches!, a wheel pops free and ricochets off the arena!

ROBO SOCCER

Soccer with robots!

This event is no different from a regular soccer game: attack, defend, strategise, score more goals than your opponent and take glory back home!

MCE DOLLARS

This event acts as a miniature stock market platform which exhorts the participants to learn various aspects of the economy.

SPUDZOOKA

- 'The one behind the gun lives forever'.

It deals with the designing of a spud gun from the scratch that fires a projectile using fuel.

MYSTIQUE LOCOMOTOR

- 'The ultimate ATV challenge'. Participants build an ATV to master the terrain and race the bots against all hurdles while staying balanced.

MYSTERY MILES

It is a treasure hunt in a way and you are the detective. Unveiling the hint will help you find the missing link to the chest.

NATIONAL LEVEL

PAPER PRESENTATION

- 'Research is a formalized curiosity'.

This event aims at hunting those hidden researchers by providing them a platform to present their ideas.
